

Master of Accountancy, MAcc

Master of Accountancy Program Learning Outcomes

At the successful conclusion of this program, students will be able to:

1. Apply fundamental accounting, tax, auditing and ethical principles within structured and unstructured fact-based situations at a mastery level.
2. Employ a range of techniques to perform analysis, synthesize information and draw conclusions at a mastery level.
3. Demonstrate strong interpersonal skills and the ability to communicate effectively in quantitative and qualitative terms through writing and speaking at a mastery level.
4. Provide professional services in the local community through applied learning opportunities and community engagement.
5. Develop the ability to act in a way that will serve the public interest, honor the public trust and demonstrate an appreciation of professional responsibilities and ethical decision making in accounting and tax settings.
