Web Design and Development Certificate

Web Design and Development Certificate Program Learning Outcomes

At the successful conclusion of this program, students will be able to:

1. Evaluate market fit and technical feasibility for new technical products and services.
2. Weigh and apply ethical, legal, and social responsibilities in all aspects of practice.
3. Construct effective solutions in teams to accomplish a common goal.
4. Author effective visual, oral, and written communication to advocate for business proposals and strategies.
