

Spanish, BA

Spanish Sample Graduation Plans

- Students entering SPAN 1010 (p. 1)
- Heritage Spanish-speaking students (p. 2) (home language is Spanish, graduated from a high school where English was the language of instruction)
- Students entering SPAN 3060 (p. 3) (native Spanish-speaking students and those with a minimum of 1.5 years exposure)

Graduation Plan for students beginning with SPAN 1010

This graduation plan is designed for students who begin studying Spanish with no or very little background in the language. If a student has sufficient background to skip a class or even the beginning year, this plan will become easier. Students who will have the background to skip into a higher class will be those who have had multiple years of high school Spanish, including those who have taken AP Spanish. In these cases, speak with the department chair for placement advice.

The Spanish department encourages students who begin at this level to incorporate a study abroad experience into their educational experience. Placement in Spanish courses will vary based on an individual student's skill level.

Graduation Plan for students whose first Spanish class is 3010

This graduation plan is designed for heritage Spanish-speaking students. These are students whose home language is Spanish but who attended and graduated from high schools in which English was the language of instruction. Placement in Spanish courses will vary based on an individual student's skill level.

In this graduation plan, there is room for students to take 33 elective credits. This allows students opportunity to get a minor or even a second major in another field that will greatly improve future career opportunities.

Graduation Plan for students whose first Spanish class is 3060

This graduation plan is specifically designed for native speakers whose language of education was Spanish or students who have a minimum of 1.5 years immersed exposure to Spanish and who will begin their studies with SPAN 3060. Placement in Spanish courses will vary based on an individual student's skill level. Questions should be directed to the department chair or the Spanish advisor.

In this graduation plan, there is room for students to take 33 elective credits. This allows students opportunity to get a minor or even a second major in another field that will greatly improve future career opportunities.
