Piano Proficiency ³		

ASL cannot be used to fulfill the BA foreign language requirement in this major.

Students may request to take the Music Theory test from the Music Department Chair or the test is offered on the first day of MUSC 1100. Students passing with a grade of C or higher may test out of the MUSC 1100 requirement.

Music majors are required to complete the Department's Piano Proficiency during the first two years of study. Completion of the Piano Proficiency is a prerequisite to Junior-level private lessons. A placement exam is administered during the first week of classes each semester. Students enroll in group piano courses (MUSC 1150, 1160, 2150, and 2160) to fulfill the requirements. Once the proficiency is passed off students are not required to enroll in group piano. Enrolling in private lessons is not an acceptable solution to achieving proficiency.

Notes:

- No more than 4 credits of private lessons may be transferred from another institution.
- No more than 4 credits of ensembles may be transferred from another institution.
- Each Private Lesson course may be repeated up to 2 credits.
- Each Ensemble course may be repeated up to 8 credits. Students are limited to no more than three ensemble courses per semester.

Graduation Requirements

- 1. Complete a minimum of 120 college-level credits (1000 and above).
- 2. Complete at least 40 upper-division credits (3000 and above).
- 3. Complete at least 30 upper-division credits at Utah Tech for institutional residency.
- 4. Cumulative GPA 2.0 or higher.
- 5. Grade C or higher required in each music core course, ensemble, and private lessons.
