Bachelor of Music Education, BME

BME Music Education Program Learning Outcomes

At the successful conclusion of this program, students will be able to:

1. Analyze and evaluate the elements, forms, and processes in music.

2. Describe, categorize, and assess the major historical periods, composers, styles, and genres of music.

3. Develop and defend musical judgements, and self-assess their efforts.

4. Perform associated repertoire with technical proficiency and artistic expression on their instrument or voice.

5. Use collaboration and leadership skills in making music.

6. Apply pedagogical skills in their area by appropriately critiquing student work and designing an applicable learning strategy.

7. Analyze and evaluate school performance literature, method books, and teaching philosophies, and strategically design a school music program in terms of recruitment, curriculum, equity, and access.

8. Create and teach lessons and activities incorporating the Utah core music standards and informed by best practices in music pedagogy and technology, including effective classroom management, rehearsal techniques, and age/skill-appropriate assessments.
