Bachelor of Music Education, BME

Program Description

The Bachelor of Music Education (BME) degree provides students with the training needed to be successful as Music teachers. The program is specifically directed at secondary education, and fulfills requirements for secondary teaching licensure in the state of Utah. It also prepares students for a variety of other teaching and general music-related opportunities.

Professional Licensure/Certification (PLC) Requirements

The curriculum for programs at Utah Tech University leading to professional licensure are designed to prepare students for Utah licensure and certification requirements. Admission into programs for professions requiring licensure and certification does not guarantee that students will obtain a license or certificate. Licensure and certification requirements are set by agencies that are not controlled by or affiliated with the University, and licensure and certification requirements can change at any time.

Licensure boards in each state establish requirements for licensure and certification for their respective state. States vary by which professions are required to be licensed and how licensure functions, and such requirements may change at any time. The terms related to licensure and certification, among others, also vary by state as well.

Students and prospective students are strongly encouraged to contact the state licensure entity in the state where they intend to work to review all licensure and certification requirements imposed by the student's state(s) of choice. The University cannot provide verification of a student's ability to meet licensure or certification requirements unrelated to its educational programming. Some states require individuals to complete additional requirements that are unrelated to educational prerequisites. For more information, visit the State Authorization and Professional Licensure (https://academics.utahtech.edu/state-authorization/) web page and select the program, or speak to the director of the program.

Utah Tech University shall not be held liable if a student is unable to qualify for licensure or certification in any jurisdiction.

This disclosure is made pursuant to 34 CFR §668.43(a)(5)(v)(C).

Piano Proficiency [2]		

1 Students may request to take the Music Theory test from the Music Department Chair or the test is offered on the first day of MUSC 1100. Students passing with a grade of C or higher may test out of the MUSC 1100 requirement.

2 Music majors are required to complete the Department's Piano Proficiency during the first two years of study. Completion of the Piano Proficiency is a prerequisite to Junior-level private lessons. A placement exam is administered during the first week of classes each semester. Students enroll in group piano courses (MUSC 1150R, MUSC 1160R, MUSC 2150R and/or MUSC 2160R) to fulfill the requirements. Once the proficiency is passed, students are not required to enroll in group piano. Enrolling in private lessons is not an acceptable solution to achieving proficiency.

3 COURSE FEE REQUIRED. See course fee tab for details.

Notes:

1. No more than 4 credits of private lessons may be transferred from another institution.
2. No more than 4 credits of ensembles may be transferred from another institution.
3. Each private lesson course may be repeated up to 2 credits.
4. Each ensemble course may be repeated up to 8 credits.
5. Students are limited to no more than 3 ensemble courses per semester.

Graduation Requirements

1. Complete a minimum of 125 college-level credits (1000 and above).
2. Complete at least 40 upper-division credits (3000 and above).
3. Complete at least 30 upper-division credits at Utah Tech for institutional residency.
4. Cumulative university GPA 3.0 or higher.
