# Music Performance, Bachelor of Music (BM)

## **Program Description**

The Bachelor of Music in Performance degree is a professional degree that allows students to focus on Music performance. Students will receive comprehensive training in Music and will have many opportunities for performing in a variety of settings by focusing on one of four tracks: **Voice** (p. 2), Strings (p. 3), Winds & Percussion (p. 3), and Piano (p. 4). The discipline and training acquired in this degree will facilitate careers and graduate study in Music Performance, as well as in private studio teaching and many other fields. Entrance to this program is by audition only.

### **Program Curriculum**

#### 120 credits

#### **Utah Tech General Education Requirements**

All Utah Tech General Education requirements must be fulfilled. A previously earned degree may fulfill those requirements, but courses must be equivalent to Utah Tech's minimum General Education standards in American Institutions, English, and Mathematics.

Code Title Hours

#### **Elective Courses**

Complete general elective coursework to bring the total number of credits to no less than 120 credits.

#### Piano Proficiency (required for all tracks except Piano)

Music majors are required to complete the Department's Piano Proficiency during the first two years of study. Completion of the Piano Proficiency is a prerequisite to Junior-level private lessons. A placement exam is administered during the first week of classes each semester. Students enroll in group piano courses (MUSC 1150, 1160, 2150, and 2160) to fulfill the requirements. Once the proficiency is passed off students are not required to enroll in group piano. Enrolling in private lessons is not an acceptable solution to achieving proficiency.

#### **BM in Music Performance Program Learning Outcomes**

At the successful conclusion of this program, students will be able to:

- 1. Analyze and evaluate the elements, forms, and processes in music.
- 2. Describe, categorize, and assess the major historical periods, composers, styles, and genres of music.
- 3. Develop and defend musical judgments, and self-assess their efforts.
- 4. Perform associated repertoire with technical proficiency and artistic expression on their instrument or voice.
- 5. Use collaboration and leadership skills in making music.
- 6. Apply pedagogical skills in their area by appropriately critiquing student work and designing an applicable learning strategy.
- 7. Perform on their instrument or voice in an exemplary manner that demonstrates a high level of achievement and career potential.
