

Nursing, AAS

AAS Nursing Program Learning Outcomes

At the successful conclusion of this program, students will be able to:

1. Person-Centered Care: Demonstrate holistic, individualized care.
2. Clinical Judgment: Determine the best possible evidence-based solutions in order to deliver safe care.
3. Communication: Communicate effectively with appropriate individuals while providing care.
4. Compassionate Care: Provide empathetic, individualized care.
5. Professionalism: Comply with legal and ethical standards of nursing.
