Theatre - Design/Technical Emphasis, BA/BS

BA/BS Theatre Program Learning Outcomes

At the successful conclusion of this program, students will be able to:

1. Correlate knowledge of theatre history with different cultures, points of view, and social systems through the analysis of contemporary approaches to theatre.
2. Create thoughtful, systematic processes in artistic work.
3. Collaborate within the production process as a team member.
4. Analyze dramatic literature in order to understand and communicate the needs of a production.
5. Formulate a plan for the next steps in individual career development.
